Access to critical resources,
support and solutions
to help our clients across
North America and
anywhere in the world

As a member of MGI North America and MGI Worldwide, KKB is well-positioned, prepared, and equipped to provide valuable and effective services to help our clients navigate the current competitive business climate.

40 types of services in more than 40 industries coast-to-coast across North America

MGI North America's industry-focused approach to client service, together with concentrated areas of service expertise, are at the forefront of our coast-to-coast client-centric culture. In North America, clients of member firms have full access to the resources of an organization of accounting firms with over 40 types of services in more than 40 industries. The MGI network can provide additional services to satisfy any need that may arise. We have the advantage of providing our clients with the best organization of accounting firms that provides access to tax, accounting, and advisory services all over North America.

Anywhere in the world we have a team to support your needs

As a member of MGI, KKB's clients gain the advantages of a broad North American and International accounting network, typically only available from large firms. Clients continue to receive the special personal attention of a trusted advisor for their accounting, assurance, tax compliance and planning, and advisory services. No matter what challenges our clients are facing – moving into new markets or offshore, planning for their business or family, growing or selling their business, acquiring or divesting, consolidating or diversifying – we can assemble a world class team with the expertise, experience, and resources to help them.

Wherever in the world our clients do business, KKB can help

At KKB, our client service philosophy is to deliver anticipatory services of the highest quality and develop tight-knit and long-term client relationships. We provide outstanding service to our valued clients and are dedicated to helping our clients succeed and reach their goals. By creating and sustaining a culture that supports professional development and encourages personal growth, we bring out the best in our team members to give our clients the very best.

Our personal touch, entrepreneurial approach, and global reach combine to make the MGI Worldwide difference.

About us

KKB is a California-based member of MGI North America, part of MGI Worldwide, a top 20 ranked international audit, tax, accounting and consulting network with almost 9,000 professionals in some 400 locations around the world.

KKB provides accounting, tax, and advisory services to a wide range of businesses and individuals throughout California and around the globe. Since 1961, KKB has grown in size, expanded our services, and increased our industry expertise. Today, we are proud to be one of the most prominent local CPA firms in Los Angeles. With deep roots in our community, KKB maintains a 'local firm feel,' yet our full range of services, industry expertise, and state of the art technology provide our clients with significant resources.
